Welcome to the Victims' Rights Digest 101, NAVRA's weekly digest of national and international news affecting crime victims.

In this digest NAVRA hopes to share many of the news, cases and research links that come across its desk on a weekly basis. This Digest is not intended to be a comprehensive collection of news items affecting crime victims, nor does NCVLI express any opinion with regard to any of the stories contained in the Digest. The Digest is designed to provide the membership of NAVRA with a glimpse of victims' issues being talked about and reported on across the country and the world.

We hope that you will find this of use. More news on victims' issues can also be found at [www.ncvli.org](http://www.ncvli.org).

Comments, concerns, and recommendations regarding this Digest are always welcome. Send them to [navra@lclark.edu](mailto:navra@lclark.edu).
